RDA Advantage Announces the Addition of a New Member

Littleton, Colorado, January 1, 2018 – RDA Advantage, North America’s largest group of independent redistributors is pleased to announce Buy-Rite Distributors as its newest member company.

Headquartered in Glendale Heights, IL., Buy-Rite has serviced food service & sanitary maintenance distributors across Illinois, Indiana, Wisconsin & Iowa for more than 36 years.

George Kostidis, Buy-Rite Distributors President commented, “We at Buy-Rite Distributors are excited to join RDA Advantage as we look forward to expanding our product offering to better serve our current customers.” Buy-Rite Distributors Vice President Mike Pettitt added, “Membership in RDA Advantage helps position our organization for future growth across new & existing categories while providing networking opportunities & operational synergies with the other members of RDA Advantage.”

RDA Advantage Chairman, Fred Hilbert stated, “Buy-Rite Distributors exemplifies the primary principles of RDA Advantage, pure independent redistributors who provide distributor customers with sales support, competitive pricing & access to more than 5,000 foodservice & sanitary maintenance products from one source of supply.”

RDA Advantage is North America’s largest group of independent food service & sanitary maintenance redistributors with twenty distribution centers across the United States & Canada. As a pure redistributor, RDA Advantage members sell only to distributors, never to end users.
