A CHANGE IS COMING...

We are pleased to announce that Newgistics Freight Services has been acquired by ReTrans, Inc. - a multimodal, full service transportation and logistics management company headquartered in Memphis, TN. For more information on our parent company, please go to their website – www.re-trans.com.

Since Newgistics Freight Services is now part of the ReTrans family, **we will be changing our company name to ReTrans Freight effective September 16, 2013**. On this date, our website will have a new look, but its functionality will remain the same and you will continue to use the same login to access rates and reports. More information on our re-branding will be forthcoming in the next few weeks.

In addition to the change in company name and logo, Re-Trans Freight will be **expanding our service offering to include International (both container and air), Intermodal, full Canadian services, as well as a major expansion of our truckload and volume services**.

Same great staff – same location. ReTrans Freight will continue to provide the same outstanding service and cost containment you have become accustomed to.

Thank you for your cooperation during this time of transition. As always, please feel free to call us if you have any questions or concerns.

Best regards,

Paul Forand
